## DEBATE AT FARMVILLE

Scenic Contest Between R. G. Southall and F. T. Saunders

### ATTACK ON THE MANN BILL

The Southall Congressmen Makes a Satisfactory Defense of Judge Mann and the Crowd Leaves the Independent Still Speaking.

(Special to The Times-Dispatch.)  
FARMVILLE, VA., Oct. 19.—Congressman R. G. Southall, of Amelia county, and Mr. Frank T. Saunders, independent candidate for the State Senate from this district, met this afternoon in a joint debate in the courthouse, and for two hours and thirty minutes, these gentlemen discussed in a forcible manner the fall campaign issues. Mr. Southall was the first to speak, and in words fired with enthusiasm, urged the voters to support the primary principle. He paid a glowing tribute to Judge William H. Mann, the Democratic nominee from this district, in whose interest he spoke. Mr. Saunders spoke for forty minutes, during which time he had the Mann bill under heavy fire. It is on this issue alone he is making his fight.

During the course of his remarks, several assertions were made with reference to Judge Mann and Senator Watkins, that did not meet with the approval of Mr. Southall, and as soon as the speaker concluded, Mr. Southall in about a fifteen-minute talk defended these gentlemen in a manner that created an uproar of laughter and applause. The audience left Mr. Saunders speaking.

### GILES AND BLAND

Judge Williams Declined to Run Again A Self-Appointed Republican.

(Special to The Times-Dispatch.)  
PEARLSBURG, VA., Oct. 19.—There is no opposition to the old county officers, except that Judge Martin Williams declines to be a candidate for re-election as Commonwealth's attorney, and W. B. Snidow, a young attorney here, is the only candidate. J. H. Durham will be sheriff; J. H. Woodrum, treasurer, and C. W. Stafford, commissioner of the revenue, without opposition.

Mr. George T. Bird, of Bland county, the Democratic nominee for the Legislature from Bland and Giles, has been in the county this week, as well as has been his opponent, Rev. George W. Penley, of Bland county.

How Mr. Penley got the nomination, no one seems to know. Mr. Charles Bane was the candidate nominated by the regular Republican convention. He withdrew from the canvass, and Mr. Penley became the candidate without a convention or meeting of the committee so far as anyone here knows.

However, his candidacy is not considered seriously by even the Republicans, as Mr. Bird will be elected.

### FIGHT IN MATHEWS

Mr. J. E. Elbb, an Independent Candidate, in Louisa.

(Special to The Times-Dispatch.)  
FREDERICKSBURG, VA., Oct. 19.—The Republicans of Mathews county have nominated W. H. Elbb, for the Legislature from the district composed of Mathews and Middlesex counties, in opposition to the Democratic nominee, Hon. George Y. Hunley, of Mathews, and W. B. Chowning, of Middlesex, who is running as an independent candidate. The Democrats of Mathews have reorganized by electing Hon. J. Boyd Sears, chairman of the County Democratic Committee.

Mr. J. E. Elbb, former editor of the Louisa News, of Louisa county, has announced himself an independent candidate for the Legislature against Mr. W. A. Crawford, the Democratic nominee.

### Withdrawals in Charlotte

(Special to The Times-Dispatch.)  
KEYSVILLE, VA., Oct. 19.—Judge Boylan Green, who has been canvassing the county in opposition to Mr. Thos. E. Watkins. The present Commonwealth's attorney, has announced his withdrawal from the canvass. This leaves Mr. Watkins without an opponent. Mr. E. F. Paul, the present treasurer, has also withdrawn as a candidate, which leaves Mr. George B. Lusk, the only opponent. The great fight on now is for sheriff. Mr. James H. Price, the present incumbent, is being opposed by Mr. Charles E. Osborne, of Leesville. With the exception of the commissioner of the revenue for the upper end, the other candidates will have no opposition.

### Holland Chairman

(Special to The Times-Dispatch.)  
FRANKLIN, VA., Oct. 19.—The Democratic Executive Committee of Southampton county, Va., met in the courthouse at Courthouse today and elected J. Peter Holland, of Franklin county, chairman. J. L. Barham, of Newsoms, was also placed in nomination. The committee is composed of thirty members.

Mr. J. Land received 22 votes, Mr. Barham 3, 3 not voting and 2 absent.

Reception to the New Secretary.  
A reception in honor of Miss Estelle Kibben, the recently elected State secretary of the W. C. T. U., will be tendered this evening.

All of the presidents of Richmond and vicinity are cordially invited to be present and do honor to their new State secretary. A very pleasant evening of good music and enjoyable entertainment is assured.

## BAZAAR IN MANCHESTER

Beauty and the Beast at Masonic Temple.

### GOVERNOR MAKES SPEECH

Introduced by Judge Ingram—Bodies Brought Home—Fitzgerald Case Tomorrow—Lipscomb—McCrooks. Cases in Court.

Manchester Bureau, Times-Dispatch. (No. 1102 Hull Street.)  
In a blending of beauty and conviviality, with bright lights and rich decorations, Governor Montague started the wheels of the Masonic bazaar at the Temple last night at 8 o'clock.

Then the scores of ladies in charge of the various booths did the rest and for an opening night it was a great success. The large hall was crowded with men, women and children, not one of whom appeared to be having anything but a good time.

Captain T. H. Betty made the first move. In a few words he presented Judge John Ingram, who introduced Governor Montague. Judge Ingram's remarks were short and good. He said the Manchester Lodge was organized by Governor Brooke and Chief Justice Marshall more than one hundred years ago. The lodge still has in its possession the jewels and Bible used when the lodge was organized.

In his panegyric, Governor Montague spoke of the great good that arose from such organizations, and congratulated the ladies who had done so much for the success of the bazaar. He spoke about ten minutes and was heartily applauded. The hall presented a beautiful scene with its rich colors and many lights and its pretty women. There are seven booths besides the restaurant. The latter is located on the banquet hall floor. The booths are in charge of the following ladies:

Chairman Booth—Mrs. John H. Shollwell, chairman; Mrs. John Morris, Mrs. E. Rowlett Trainum, Mrs. Judge Ingram, Misses Bessie Gill, Lucy O'Brien, Lella O'Brien, Clara O'Brien.

Furniture Booth—Mrs. A. J. Daffron, chairman; Misses Patsy Howell, Helen McRea, Rita Welsiger, the Misses Owens.

At this booth a handsome bath robe will be voted to the most popular physician, and a stove to the most popular little girl. In this latter contest the names of Misses Esther Showell, Ann Friend, Gladys Robinson and Nina Gilbert have already been mentioned. Other articles, such as easy chairs, lamps, rugs, etc., will be voted for.

Candy Booth—Mrs. A. H. Fitzgerald, chairman; Mrs. C. E. Friend, Mrs. W. B. Bradley, Mrs. O'Brien, Misses Lizzie Robertson, Fitzgerald, Vaden, Gaillyou and Lithgow.

Tobacco and Flower Booth—Mrs. S. A. Hall, chairman; Misses Mary Pool, Annmen Pool, Grace Gibbs, Emma Perdue, Grace Perdue, Annie Rucker, Florence Hall, Mrs. Dennis and Mrs. Bolton.

Pancy Booth—Mrs. Graves, chairman; Mrs. Archer, Mrs. DuVal, Mrs. Redford, Mrs. Pool, Mrs. Snellings, Misses Brown, Mollie, Hatch, Nichols, Virgie Snellings, Mrs. Schaefer.

General Country Store—Mrs. T. H. Betty, chairman; Mrs. George Walker, Mrs. Bowman, Mrs. Friend, Mrs. W. B. Bradley, Mrs. Grizzard, Mrs. Sam, Mrs. Joe Owens, Misses Owens, Patsy Howell, Phyllis, Virginia, Lottie, Lillian, Bettie Walker, Ada Walker, Lottie Williams, Lillian Tyree, Bessie Wells, Marion Walsh, Melba Chatham.

At this booth anything found in the typical country store may be seen, from a string of red pepper to a clay pipe or a head of cabbage.

The bazaar will continue for ten days. GOT THIRTY DAYS.

The jury in the case of Fred Crowder yesterday evening returned a verdict of thirty days in jail. The young man pleaded guilty to taking a watch while under the influence of liquor. He has always borne a good character, and he has received the sympathy of many persons who do not believe he will ever again do anything wrong.

NO CASES.

After a lengthy inquiry into certain rumors that gambling was going on in certain places in this city, the grand jury late yesterday evening could not secure sufficient evidence to return indictments, and the rumors were looked upon as mere rumors.

THE BROTHERS BROTHERS HOME.

The body of Mr. E. H. Atwell, the Southern engineer, who was killed, was brought to Richmond last night. He was a native of Ohio, where his relatives are. His wife is a native of Ohio.

Mr. Atwell was very popular, and a large number of friends gathered to see him. The body of Dan Pinchion, the colored fireman, was also brought here last night and carried to his home. He was well liked and considered a faithful workman.

FITZGERALD CASE.

The Fitzgerald case will come up for trial in the Corporation Court to-morrow morning.

Judge Clifton has appointed Judge Gregory, Commonwealth's Attorney of Chesterfield to prosecute the case. This action was taken because Commonwealth's Attorney Page had, before he was elected Commonwealth's Attorney, been engaged in the matter in the interests of Fitzgerald. Judge Gregory consented to act in the matter. Mr. Fitzgerald has not yet made known what action of defense he will make.

MARRIAGE TODAY.

Mr. Eugene W. Lipscomb, a popular young man of Manchester, and Miss Mabel Crooks, daughter of Mr. and Mrs. J. A. Crooks, formerly of Manchester, now of Port Norfolk, are to be married at the home of the bride this afternoon at 3:30 o'clock.

After an extended trip, the couple will be at home, No. 1915 Grove Avenue, after November 1st.

CORPORATION COURT.

Judge Clifton has set the following cases for trial:

F. H. Fitzgerald, Wednesday; Mason

## An Interview With Lajoie.

This Superb Ball Player Was Almost Lost to the Game.

He Tells The Public How He Saved Himself This Spring.

No ball player got fame and fortune as quickly as Napoleon Lajoie, second baseman and captain of the Cleveland Indians. From the time he entered the "big leagues" he has been a wonder, taking first place as a heavy batter, and he is today the best paid and greatest ball player in the world.

The hard work of last season threw him into an illness which lasted all winter and spring. His magnificent frame was so reduced that it was stated in the newspapers that he could never again appear on the field. But to the delight of the lovers of the game, he appeared with his club, looking stronger, hitting harder and playing a better game than ever.

Of his recovery from shattered health to perfect form, Lajoie says: "During my illness I did not begin to improve till I took Father John's Medicine. It quickly built up my body to its former strength, and made me active as at any time in my career. Now I carry a bottle of the medicine with me on the trip with my club, and it keeps me well all the time."

Father John's Medicine is for sale by Owens and Minor Drug Company, 107 East Main Street; City Drug Store, 144 East Main Street; People's Drug Store, 550 Williamsburg Avenue; Northside Pharmacy, 91 North Fifth Street; Pine Street Pharmacy, 334 South Pine Street; East Pharmacy, 201 Venable Street.

son Anderson, alleged murder, Friday; William and Thomas Howell, Joseph Williams, selling liquor without license, today.

A number of civil cases were also set for hearing next week.

Frederick Crowder was indicted for taking a watch, and Thomas Berry for maintaining a nuisance.

SUPERIOR TO RESIGN.

Mr. R. A. Bowen, one of the most popular supervisors of Chesterfield county ever had, and one of the most patriotic, resigned his position, owing to the appointment of his business, Mr. Bowen declined to be re-elected on Mr. Joseph Mendenhall, who will probably be appointed as his successor.

RAILROADS THREATENED WITH DYNAMITE'S USE

(By Associated Press.)  
HELENA, MONT., Oct. 19.—According to well authenticated reports, the Northern Pacific is not alone in its troubles with dynamite, though it has thus far been the only sufferer. There have been a great number of secret service men of the United States Northern Railway in Helena, and it develops that their mission is to try to locate the person who has sent the company a letter threatening blackmail. The letter was mailed at Cascade, and it demanded the payment of \$15,000. The railroad company was commanded to display a signal if it acceded to the demand, and was given until Tuesday evening, October 20th, to comply. If it did not comply then the amount of the blackmail would be raised to \$20,000, and dynamite the letter said, would be used on the rails.

A tub of oleomargarine was picked up on the street by Second Station officers, and can be recovered by identification at the station.

LEGISLATIVE PLAN.

Seen through the microscope of Mr. Cardwell's spectacles, the work of the Legislature at its coming session will be along these lines: To straighten out the lines of the Baylor survey and mark them with a definite and indestructible mark. After getting these lines in proper shape, the policy will be made to properly police the beds and keep them in shape at all hazards. Whatever the reduction in acreage may be, there is one thing certain, the State can neither mark nor police 23,000 acres, a matter of physical impossibility. Under the restricted acreage both of these ideas can be accomplished, which the Legislature will see will be done. Then will open a new era in the great oyster industry of the good old Commonwealth of Virginia.

The gentlemen are perfect pictures of health, and aside from their onerous duties, have had what might be termed a good time.

THE LYNCHBURG HOSPITAL.

Mr. Ryan Bought a Lot for it Las Spring.

(Special to The Times-Dispatch.)  
LYNCHBURG, VA., Oct. 19.—According to Richmond advices, Mr. Thomas E. Ryan, the New York and Nelson county millionaire, has stated that he is going to purchase the land for the Lynchburg hospital is about to be made, and probably building will very shortly begin.

As a matter of fact, Mr. and Mrs. Ryan purchased a lot at the corner of Clay and Fifth Streets with 150 feet front on Clay Street, a year or two ago, but for some reason nothing was done towards the erection of a hospital, although all the plans and estimates for one have long since been completed.

Mr. D. W. Myers, who attends to business in this city for Mr. and Mrs. Ryan, said that the land was not on their property, when shown the statement from Richmond this morning, said that he had not heard anything definite concerning the plans of Mr. and Mrs. Ryan in this matter, but he would not be surprised if they commenced the building of the hospital on Clay Street next spring.

For Horse Stealing.

(Special to The Times-Dispatch.)  
ALEXANDRIA, VA., Oct. 19.—Howard L. Adams, a young white man, who claims to be a traveling salesman for a Pittsburg jewelry house, was arraigned in the Police Court this morning, charged with stealing a horse and buggy from Mr. R. L. Myers & Son, livermen, of this city. Adams hired the team Friday evening, stating that he was going to Fells Church, and would be back Saturday morning. But instead of doing so, he went to Washington and endeavored to sell the team.

He was arrested there, and sent back to this city. Mayor George L. Smith this morning sent the case to the grand jury.

## HOLD ALL SHE HAS GAINED

This Believed to Be the Attitude of Russia.

### READY TO REPEL ATTACK

Has Fleet and Navy Assembled Sufficient to Meet Japan—Another Standstill in Negotiations—Japan Takes Calm View.

(By Associated Press.)

PEKING, October 19.—Like other cities in the Far East, Peking is perplexed by the reports from various points of events pertaining to a Russian-Japanese war. Most of these reports on investigation prove to be unfounded. The opinion prevails here that Russia proposes to hold all she has gained in Manchuria, and refrain from the present from further advances into Korea. It is also believed that Russia is convinced that no nation except Japan thinks of contesting her position, and, having assembled a fleet and army which she considers strong enough to repel any Japanese attack, she is awaiting developments in Japan's policy.

A majority of the Russian ships have left Port Arthur since the manoeuvres for an unknown destination, but it is supposed that some of them are cruising on the shores of Korea, watching Ma-San-Pho and other ports. The Japanese ships, whose presence at Ma-San-Pho caused the report that Japan had occupied that port, have sailed, probably in the direction of Sasebo, Japan.

Tokyo, Oct. 19.—The Japanese legation attaches no importance to the reports of the landing of Japanese troops at Ping Yang, Korea, or to the alleged concentration of Japanese forces in the neighborhood of Hakodate, Japan. The legation says there is every reason to believe that the situation has not changed materially since last week's reassuring official telegram from Tokyo, and the opinion was expressed that the czar's appointment of a special commission to consider affairs in the far east would tend to limit the powers of Admiral Alexieff, the viceroy of the far east.

Negotiations at a Standstill

(By Associated Press.)  
YOKOHAMA, Oct. 19.—The negotiations between Russia and Japan have come to another standstill. It is thought doubtful that the Marquis Ito's view of the military occupation of Manchuria is endorsed by the whole country, but it is believed that Ito is strong enough to carry his point, owing to the paramount stand taken for the integrity of Korea and the open door in Manchuria for all nations.
